**POTENTIAL LABOUR DISRUPTION AT CANADA POST**

A potential labour disruption at Canada Post could interrupt postal services as early as September 26, 2018. We would like to remind you that, in the event of a disruption, you are still responsible for keeping your account current.

If you have not already done so, we encourage you to register for electronic invoicing. With this service, invoices will be automatically e-mailed to you providing you with access to your invoices at anytime, while also reducing your carbon footprint on the environment.

To ensure prompt receipt of your payment, instead of paying by cheque, we also encourage you to consider one of the alternative payment methods listed below:

- Pre-Authorized Debit
- Direct Deposit
- Online Banking
- Telephone Banking

If the payment methods listed above are not suitable, please contact us to make other arrangements.

For more information, please contact our Customer Service department.
